Stanley, of Smith, when he took the mound, the McNell. rf Muskegon Reds, twice beaten by Wheatley, p South Rend, came back hard at Marshfield Monday and walloped the visitors by an 11 to 4 count. In all South Bend . the Muskegon players massed up a Muskegon total of 15 safe drives, four of them good for two bases, and would have probably been running up scores yet had not the weather, although somesuch a performance.

Hit Everything. It seemed to matter little what the opposing pitchers offered the Reds, bad ones, met sharp curves and had ers. Then Smith succeeded Hill in the box, but the big fellow lasted but two innings with fair success, when the Reds began mistreating his offerings as well.

Wheatley pitched very fair ball for the locals, striking out six men and allowing ten hits, for the most part well scattered.

Benders Score First. The Benders registered a counter rst on Hensling's double, Beall's craich hit through third and Watson's lift over first base. Another of the visitor's markers came in the 11th, when Collins got to third after McNell, playing in right field, let a comparatively fast chance get away from him and counted a moment later on Grodick's single over the last turn. In the seventh the Benders tallied again, Smith walking, going to second on Bashang's drive to right and scoring when Collins doubled to the opposite garden. The final counter of the visitors came in the ninth, when Watson hit over short, Bowman batting for Smith singled through second, and Watson got to third on Bashang's lift to left field, from where he scored on Grodick's scratch effort through Bru-
